## RCOG World Congress 2019

ExCeL, London

Sunday 16 – Wednesday 19 June 2019

| Monday 17 June 2019 |  |   |   |   |   |   |
|---------------------|--|---|---|---|---|---|
| 07.00               | Registration desk open at ExCeL, London  |   |   |   |   |   |
| 08.00 – 09.30       | Registration, Coffee, Exhibition and iPoster Viewing   |   |   |   |   |   |
| 09.30 – 09.45       | Presidents Welcome and Introduction<br>Professor Lesley Regan, President, RCOG<br>Kate Brian, Women's Voices Lead, RCOG  |   |   |   |   |   |
| 09.45 – 10.15       | PLENARY LECTURE 1 - Green Armytage Anglo American Lecture:<br>Chair: Professor Lesley Regan, President, RCOG<br>Designing Systems to Improve Care for Every Mother, Everywhere<br>Prof Neel Shah, Harvard Medical School |   |   |   |   |   |
| 10.15 – 10.50       | Coffee, Exhibition and iPoster Viewing (including movement between rooms)  |   |   |   |   |   |
|                     | <b>STREAM 1</b><br><br><b>MATERNAL AND FETAL MEDICINE</b><br><br>Auditorium<br><br>   | <b>STREAM 2</b><br><br><b>EARLY PREGNANCY AND ACUTE GYNAECOLOGY</b><br><br>Capital Suite 10/11/12 (live streaming into Capital Suite 17 and mini theatres)<br><br> | <b>STREAM 3</b><br><br><b>GYNAECOLOGICAL CANCER</b><br><br>Capital Suite 7/8/9<br><br> | <b>STREAM 4</b><br><br><b>SEXUAL HEALTH AND HIV</b><br><br>Capital Suite 2/3/4<br><br> | <b>STREAM 5</b><br><br><b>RCOG OBESITY &amp; PUBLIC HEALTH</b><br><br>Capital Suite 14/15/16<br><br> | <b>STREAM 6</b><br><br><b>RCOG HEALTH POLICY</b><br><br>Capital Suite 6/13<br><br> |
| <b>Chairs:</b>      | Dr Rhona Hughes, UK<br>Dr Isabel Carmano, NZ   | Mr Davor Jurkovic, UK<br>Prof Lil Valentin, Sweden  | Dr Sadaf Ghaem-Maghani, UK<br>Mr Thomas Ind, UK   | Dr Sarah Edwards, UK<br>Peter Greenhouse, UK  | Mr Andrew Sizer, UK<br>Dr Vijay Roach, Australia  | Mr Nick Panay, UK<br>Professor Ted Anderson, USA  |
| 10.50 – 11.10       | Prematurity prevention – Quo Vadis?<br>Professor Zarko Alfirevic, University of Liverpool  | The microbiome and early pregnancy loss<br>Prof Phil Bennett, Imperial College London   | Prevention of endometrial cancer: progress and challenges<br>Emma Crosbie, University of Manchester   | Mycoplasma genitalium infection: who has it and what should you do about it<br>Professor Jonathan Ross, University of Birmingham  | Obesity and non-pregnant women throughout the life course<br>Professor Janice Rymer, President of Education, RCOG   | Influencing policy to improve healthcare for women and girls<br>Professor Lesley Regan, President, RCOG   |

|                      |   |   |  |  |   |   |
|----------------------|---|---|--|--|---|---|
| <b>11.10 – 11.30</b> | Growth restriction – What have we learned and what is there still to do?<br><b>Mr Christoph Lees, Imperial College London</b>   | The endometrium in recurrent miscarriage – should we scratch it?<br><b>Siobhan Quenby, Professor of Obstetrics, Warwick Medical School</b>  | Fertility sparing treatment of gynaecological cancers<br><b>Dr Alan Farthing, Imperial College NHS Trust</b>   | Bacterial vaginosis – what’s new?<br><b>Dr Phillip Hay, North Devonshire NHS Trust</b>   | Obesity in pregnancy<br><b>Professor Fiona Denison, University of Edinburgh</b>   | Women’s voices – shared decision-making and supported self-management<br><b>Edward Morris, Vice President, RCOG and Kate Brian, Women’s Voices Lead, RCOG</b>         |
| <b>11.30 – 11.50</b> | A view of extremely preterm birth<br><b>Professor Neil Marlow, University College London</b>  | Update on UK HTA funded multicentre clinical studies in early pregnancy loss<br><b>Professor Arri Coomarasamy, University of Birmingham</b>   | New concepts in surgery for ovarian cancer<br><b>Dr Sadaf Ghaem-Maghami Imperial College London</b>  | Trends in genital warts and HPV 6/11 since the introduction of HPV vaccination<br><b>Professor Charles Lacey, University of York</b>   | The complex challenge of obesity<br><b>Dr Stuart Flint, Leeds Beckett University</b>  | Workforce and workplace culture – supporting our doctors<br><b>Professor Mary Ann Lumsden, Senior Vice President, RCOG And Dr Alison Wright, Vice President, RCOG</b> |
| <b>11.50 – 12.00</b> | <b>Discussion</b>   | <b>Discussion</b>   | <b>Discussion</b>  | <b>Discussion</b>  | <b>Discussion</b>   | <b>Discussion</b>   |
| <b>12.00 – 12.20</b> | Reference centiles for maternal placental growth factor from a low-risk population – a generalised additive model for location, shape and scale (GAMLSS) approach<br><b>Liam Dunn</b> | Going, gonad, gone: a comparison of the management of gonadal torsion between men and women<br><b>Alison Richardson</b>   | Blockade of aurora kinase A/Benhances sensitivity to an EGFR inhibitor via addiction to the EGFR pathway in cervical squamous cell carcinoma<br><b>Kanako Nakamura</b> | Providers' and clients' comprehension of and attitudes towards the world health organization's (WHO) new counselling guidance on the risk of HIV acquisition among DMPA users in Tanzania<br><b>Kathryn Church</b> | Mode of delivery in women with class III obesity – is it time to rethink?<br><b>Ramesh Ganapathy</b>                            | Outcomes after surgical treatment for Heavy Menstrual Bleeding in England and Wales: evidence from a national audit<br><b>Ipek Gurol-Urganci</b>                      |
|                      | Prediction of survival in right sided congenital diaphragmatic hernia in the FETO era<br><b>Professor Jan Depreest</b>  | Managing pregnancy of unknown location: a meta-analysis and evidence from a multi-centre trial on a two-step triage protocol based on initial serum progesterone & serial hCG<br><b>Shabnam Bobdiwala</b> | Proteomic analysis of malignant and benign endometrium according to obesity and insulin resistance status using reverse phase protein array<br><b>Olivia Raglan</b>    | Fertility desires of persons living with HIV and the obstetrician/gynecologists knowledge, attitudes and practices: a Jamaican perspective<br><b>Monique Thompson</b>  | Metabolic syndrome: are our women at risk to develop? A study at Abbasi Shaheed hospital<br><b>Sumbul Sohailf Swaleh</b>        | Provision of immediate postpartum intrauterine contraception (PPIUC) in a UK maternity setting<br><b>Michelle Cooper</b>  |
| <b>12.20 – 12.40</b> | Adverse neurobehavioral effects of antenatal corticosteroids in a late preterm rabbit model<br><b>Johannes van der Merwe</b>  | Thrombophilia – how prevalent is it in a recurrent miscarriage population?<br><b>Amanda Ali</b>   | ARID1A in endometriosis - associated ovarian cancer<br><b>Cynthia F Barbara</b>  | Review and audit of HIV cases in pregnancy<br><b>Neha Shah</b>   | Are pregnant women meeting the national physical activity recommendations at their booking appointment?<br><b>Ashley Ridout</b> | The PARENTS 2 Study: Parental engagement in the perinatal mortality review process – a multicentre mixed-methods study<br><b>Christy Burden</b>                       |
|                      | Improvement in antenatal detection of small for gestational age babies following implementation of the growth assessment protocol (GAP) in the United Kingdom<br><b>Jason Gardosi</b> | Are we managing women with recurrent miscarriage appropriately? A survey of clinical practice within the United Kingdom<br><b>Rashmi Manning</b>  | Drug repositioning for ovarian cancer targeting mevalonate pathway<br><b>Yusuke Kobayashi</b>  |  | Uterine fibroid and health-related quality of life in pregnant women: a cross-sectional study<br><b>Wai-kit Ming</b>            | Fetal Alcohol Spectrum Disorder, Substance Use and Mental Health: Results from Canada's National FASD Database<br><b>Jocelynn Cook</b>                                |

|  |   |   |   |   |   |   |
|--|---|---|---|---|---|---|
| <p><b>12.40 – 13.00</b></p>                                    | <p>Effect of serial scanning in high risk pregnancy on risk of stillbirth<br/><b>Jason Gardosi</b></p>  |   | <p>Key patient outcomes on studies managing atypical endometrial hyperplasia and endometrial cancer: two sets of patient workshops and semi-structured interviews (the second step in the development of a CRUK-funded core outcome sets)<br/><b>Alex Tan &amp; Sarah Yorke</b></p> |   | <p>Super morbidly obese pregnant women – pregnancy outcomes. An audit of the BMI ≥50 pregnant women in a large district general hospital<br/><b>Josie O'Haney</b></p> | <p>Meeting the needs of migrant women: A service evaluation of a specialist migrant maternity service within an initial accommodation unit<br/><b>Alexandra Filby</b></p> |
|  | <p>Maternal haemodynamic function is worse in small for gestational age pregnancies with fetal growth restriction compared to small for gestational age pregnancies without fetal growth restriction<br/><b>Helen Perry</b></p> |   | <p>Tumor suppression in postmenopausal endometrial polyps: a closer look at their potential of malignancy<br/><b>Lina Adomaitiene</b></p>   |   | <p>Fetal fat distribution in fetuses of women following bariatric surgery<br/><b>Tanya Maric</b></p>  |   |
| <p><b>13.00 – 14.20</b></p>                                    | <p>Lunch, Exhibition, iPoster Viewing, Mini Theatre iPoster Presentations and Sponsored Symposiums</p>  |   |   |   |   |   |
| <p style="text-align: center;"><b>SPONSORED SYMPOSIUMS</b></p> |   |   |   |   |   |   |
| <p><b>13.00 – 14.00</b></p>                                    | <p>The role of biomarkers in the management of Preeclampsia and Fetal Growth Restriction<br/><b>Roche Diagnostics</b><br/>13.15-14.00<br/>Capital Suite Room 14/15/16</p>   | <p>Role of OSCM HSG in infertility Management – emerging data<br/><b>Guerbet's Education Session</b><br/>Capital Suite Room 7/8/9</p> | <p>The intrapartum care<br/><b>Ferring</b><br/>Capital Suite Room 6/13</p>  | <p>Innovation In AUB: Today's Updates, Tomorrow's Insights<br/><b>Hologic</b><br/>Capital Suite Room 10/11/12</p> | <p>A new era in the management of Nausea and Vomiting of Pregnancy (NVP)<br/><b>Alliance Pharmaceuticals</b><br/>Capital Suite Room 2/3/4</p>                         |   |

|               |  |  |
|---------------|--|--|
| 13.20 – 14.05 | <p align="center"><b>Mini Theatre 1 - iPoster Presentations</b></p> <p>1)Timing of Induction of Labour and Outcomes in Women with Term PROM<br/><b>Susan O'Rinn</b></p> <p>2) Diabetes in pregnancy: is higher caesarean section rate inevitable?<br/><b>Deepika Meneni</b></p> <p>3)Priming of vaginal and amnion epithelial cells with a TLR3 agonist augments TLR2/TLR6 agonist response: a potential synergistic role of viruses and bacteria in preterm labour<br/><b>Lynne Sykes</b></p> <p>4)Acute fatty liver disease of the pregnancy (AFLP) challenging diagnosis in the context of associated cholecystitis with potentially fatal consequences - case report<br/><b>Manuela Heim</b></p> <p>5)The correlation between epigenetic change and neonatal plasma glucose level in maternal gestational diabetes offspring<br/><b>Yoshifumi Kasuga</b></p> | <p align="center"><b>Mini Theatre 2 - iPoster Presentations</b></p> <p>1) The outcome of Pregnancy in women with Low Pregnancy Associated Plasma Protein-A (PAPP-A). A retrospective audit at Frimley Park Hospital (FPH). Is Aspirin reducing adverse pregnancy outcome in women with low PAPP-A?<br/><b>Hend Hadawi</b></p> <p>2)Reduction of small for gestational age stillbirths at term in the GAP programme 2015-2018<br/><b>Jason Gardosi</b></p> <p>3)'INVENT'- A Collaborative Regional Multicentre Service Evaluation and Audit of Multiple Pregnancies-Preliminary results from 3 centres<br/><b>Tabassum Khan</b></p> <p>4)Synergistic effect of maternal sildenafil and fetal tracheal occlusion improves pulmonary development in the rabbit model for congenital diaphragmatic hernia<br/><b>Jan Deprest</b></p> <p>5)Effectiveness and safety of 1% lidocaine for induction of fetal demise<br/><b>Elena Greco</b></p> <p>6)A Cluster of Fetal Lymphangiomas : a multidisciplinary, multicentre approach to their antenatal care through to delivery in a District General Hospital<br/><b>Sarah Rizeq</b></p> <p>7)Early and late selective fetal growth restriction in monochorionic twin pregnancies: Natural history and diagnostic criteria<br/><b>Asma Khalil</b></p> |
|---------------|--|--|

|               |  |
|---------------|--|
| 14.20 – 14.40 | <p><b>PLENARY LECTURE 2:</b><br/>Chair: Adam Balen, Leeds Teaching Hospitals, UK<br/><b>The Priceless Revolution</b><br/>Dr Duru Shah, Mumbai, India</p> |
|---------------|--|

|               |                               |  |  |  |  |  |

| 14.40 – 14.50 | <b>Movement between rooms</b> |  |  |  |  |  |
|---------------|-------------------------------|--|--|--|--|--|

|                | STREAM 1   | STREAM 2  | STREAM 7   | STREAM 8   | STREAM 9   | STREAM 10  |
|----------------|--|---|--|--|--|--|
|                | <p align="center"><b>MATERNAL AND FETAL MEDICINE</b></p> <p align="center">Capital Suite 10/11/12 (live streamed into Capital Suite 17 and mini theatre 1)</p>  | <p align="center"><b>EARLY PREGNANCY AND ACUTE GYNAECOLOGY</b></p> <p align="center">Auditorium</p>  | <p align="center"><b>COLPOSCOPY AND CERVICAL PATHOLOGY</b></p> <p align="center">Capital Suite 7/8/9</p>  | <p align="center"><b>SEXUAL AND REPRODUCTIVE HEALTH</b></p> <p align="center">Capital Suite 14/15/16 (live streamed into mini theatre 2)</p>  | <p align="center"><b>ROBOTIC SURGERY</b></p> <p align="center">Capital Suite 2/3/4</p>  | <p align="center"><b>RCOG EDUCATION</b></p> <p align="center">Capital Suite 6/13</p>  |
| <b>Chairs:</b> | Dr Rhona Hughes, UK<br>Professor TY Lung, Hong Kong  | Professor Arri Coomarasamy, UK<br>Dr Vaidvanathan Gowri, Oman   | Miss Theresa Freeman-Wang, UK<br>Professor Hemantha Senanayake, Sri Lanka  | Ulrike Sauer, UK<br>Professor Kirsten Black, Australia   | Mr Thomas Ind, UK<br>Dr Neel Shah, USA   | Mr Euan Kevelighan, UK<br>Dr Serene Thain, Singapore   |

|               |   |  |  |  |   |   |
|---------------|---|--|--|--|---|---|
| 14.50 – 15.10 | Pre-eclampsia as a cardiac disorder<br><b>Professor Basky Thilaganathan, St George's Hospitals NHS Foundation Trust</b>   | Models of early pregnancy care in the UK and their impact on women's experiences & clinical efficacy<br><b>Mr Davor Jurkovic, UCH London</b> | HPV primary screening<br><b>Professor John Tidy, Sheffield Teaching Hospitals NHS Foundation Trust</b>   | Contraception - Enabling informed choice<br><b>Dr Jane Dickson Aneurin Bevan University</b>  | Surgeon ergonomics in robotic and laparoscopic surgery<br><b>Dr Esther Moss, University of Leicester</b>  | Undergraduate teaching and postgraduate outcomes<br><b>Professor Chris McManus, University College London</b>   |
| 15.10 – 15.30 | Biologic drugs and pregnancy<br><b>Dr May Ching Soh, Waikato DHB and Bay of Plenty DHB</b>  | Can we predict spontaneous complete miscarriage in early embryonic demise?<br><b>Professor Lil Valentin, Lund University, Sweden</b>         | Screening in the post HPV vaccinated population<br><b>Professor Maggie Cruickshank, University of Aberdeen</b>   | Help! The condom split last night - emergency contraception made easy<br>What shall I do? Why not an IUD? Ella one more effective, but don't forget Levonelle? New guidance? Weight?<br><b>Dr Zara Haider, Kingston Hospital NHS Trust</b> | Robotic Endometriosis surgery<br><b>Dr Stewart Disu, CLondon Northwest University Healthcare NHS Trust</b>  | Human Factors - Beyond Aircraft Comparison<br><b>Dr Ed Prosser Snelling, Norfolk And Norwich University Hospital NHS Foundation Trust</b>   |
| 15.30 – 15.50 | Lessons from translational clinical research – update on obstetric cholestasis<br><b>Professor Catherine Williamson, King's College London</b>  | Psychological effects of early pregnancy loss<br><b>Professor Tom Bourne, Imperial College London</b>  | Quality Assurance in the new cervical screening programme: how will it change?<br><b>Miss Theresa Freeman-Wang British Society Of Colposcopy Cervical Pathology</b>  | Contraception conundrums – Making safe choices 1 case with all included: safeguarding, age, ongoing contraception, what you need to consider!<br><b>Dr Diana Mansour, Newcastle upon Tyne</b>  | Evidence for robotics in endometrial cancer<br><b>Ms Marielle Nobbenhuis, The Royal Marsden NHS Foundation Trust</b>  | Utility of VSAQs in applied knowledge assessment<br><b>Dr Amir Sam, Imperial College London</b>   |
| 15.50 – 16.10 | Selective reduction in complex triplet pregnancy by radio frequency ablation: single centre experience<br><b>Gowrishankar Paramasivam</b>   | Caesarean scar pregnancy (CSP) and risk of hysterectomy: 8-year experience in a single unit<br><b>Susanne Johnson</b>                        | Is a short inter-pregnancy interval to blame? A pilot study of cervical screening uptake in antenatal populations served by two university teaching hospitals<br><b>Tabassum Khan</b>                      | Missed opportunities for sexually transmitted infection screening and for vaginitis testing in symptomatic and asymptomatic women<br><b>Jeff Andrews</b>   | Survival outcomes for robotically managed stage 1b1 cancer of the cervix<br><b>Hersha Patel</b>   | "You do feel a bit like you've failed them" - exploring gynaecologists' perceptions and experiences of caring for patients with advanced gynaecological cancer<br><b>Claire Stewart</b> |
|               | Added value of fetal growth velocity and dopplers to biometry in identifying small for gestational age fetuses with adverse perinatal outcome at term: prediction model<br><b>Asma Khalil</b> | Early pregnancy events and pregnancy outcomes<br><b>Maya Al-Memar</b>  | Primary HPV testing with cytology versus cytology alone in cervical screening – a prospective randomised controlled trial (RCT) with 2 rounds of screening in a Chinese population<br><b>Karen KL Chan</b> | Sexual health behaviours amongst university students<br><b>Roisin McConnell</b>  | Sentinel node evaluation by intraoperative near infrared fluorescence during robotic-assisted laparoscopic surgery for endometrial cancer<br><b>Fabio Barra</b> | Undermining and Bullying of UK Trainees in O&G - What's the impact?<br><b>Sarah Quinn</b>   |
| 16.10 – 16.30 | A novel strategy to treat fetal myelomeningocele using human amniotic fluid stem cells<br><b>Yu Sato</b>  | Tubo-ovarian abscess: which cases to operate early?<br><b>Gabriella Yongue</b>   | Prevalence and management of CIN by colposcopy among VIA positive cases in a tertiary level hospital of Bangladesh<br><b>Dilruba Zeba</b>  | Prevalence of abnormal anal cytology and HPV infection in the area of anal transformation in women between 30 and 65 years old with dysplasia of the lower genital tract<br><b>Cristhiam Sanchez</b>                                       | UK training in robotic gynaecological surgery: a survey of attitudes and experience in Wales<br><b>Angharad Jones</b>   | Performance monitoring of circuit tasks used in quality assurance of the MRCOG final preparation part 3 practical courses<br><b>Toby Fay</b>  |

|                      |   |   |  |   |  |  |
|----------------------|---|---|--|---|--|--|
|                      | Intrapartum and obstetric characteristics of neonates undergoing therapeutic hypothermia<br><b>Rachel Wood</b>  | Familial predisposition to miscarriage: an intergenerational study of 31,565 mother-daughter pairs in Aberdeen, UK<br><b>Andrea Woolner</b> | Evidence for clinical utility of extended HPV genotyping in screening, triage, persistence tracking and follow-up after abnormal results and colposcopy, and test-of-cure<br><b>Jeff Andrews</b> | Menstrual hygiene management among married women in a resettlement colony of East Delhi, India<br><b>Mansi Mathur</b> | Legal, regulatory and ethical frameworks or standards for AI and autonomous robotic surgery<br><b>Mohammed Imran Sajid</b> | Comparing ROBuST cohort experience with introduction of patient perspective video simulation<br><b>Scott Mabbutt</b> |
| <b>16.30 – 17.00</b> | Coffee, Exhibition and On-Demand iPoster Viewing  |   |  |   |  |  |
| <b>17.00 – 17.45</b> | <b>PLENARY LECTURE 3:</b><br>Chair: Professor Basky Thilaganathan, St George's Hospitals NHS Foundation Trust<br><b>Twins, microbes and personalised health</b><br>Tim Spector, King's College London   |   |  |   |  |  |
| <b>17.45 – 18.45</b> | <b>Welcome Drinks Reception - Exhibition Hall</b>   |   |  |   |  |  |
| <b>17.45 – 18.45</b> | Fringe Event – Capital Suite 17<br>Chair: TBC<br><b>How can we regulate abortion in a post-decriminalisation landscape?</b><br>Panel:<br>Dr Tracey Masters, RCOG Fellow and Vice Chair, Faculty of Sexual and Reproductive Healthcare<br>Diana Johnson MP<br>Clare Murphy, External Affairs Director, BPAS<br>Dr Polly Cohen, Doctors for Choice<br>Laura MacIssac MD, Mount Sinai Health System, New York                              |   |  |   |  |  |
| <b>19.30 – 00.00</b> | <b>Congress Party – Medieval Banquet (pre-purchased ticketed event)</b><br><b>Venue: Ivory House, St Katharine's and Wapping, London E1W 1BP (nearest tube station: Tower Hill/Tower Gateway)</b><br>A themed evening of medieval entertainment as knights battle and re-enact medieval history. The evening will include welcome drink, 3-course banquet style dinner including beer, wine and soft drinks, live entertainment and DJ. |   |  |   |  |  |

This programme was correct at the time of going to print. The RCOG and Hampton Medical do not take any responsibility with having to make changes after going to print.

*The RCOG World Congress 2019 will be enhanced by the voices of people who use O&G services, across many of the scientific sessions. We hope that these voices, both in person and pre-recorded, will add an extra element to the event, bringing focus to the human experience of women's health experiences relating to the topics being presented and the importance of woman-centred care across the specialty.*
