## RCOG World Congress 2019

ExCeL, London

Sunday 16 – Wednesday 19 June 2019

Tuesday 18 June 2019							
07.00	Registration desk open at ExCeL, London						
07.00 – 08.00	MORNING YOGA Capital Suite Room 17						
07.15 – 08.15	EARLY RISER SESSIONS						
	Implementing Postpartum Contraception Programs: Global and UK experience Capital Suite Room 2/3/4	The RCOG MTI scheme explained Capital Suite Room 7/8/9	RCOG Women's Network - enhancing your communication to improve care Capital Suite Room 6/13	HSIB - A new approach to maternity investigations in England Capital Suite Room 10/11/12			
07.30 – 08.30	Coffee, Exhibition, iPoster Viewing, Mini Theatre iPoster Presentations						
07.50 – 08.20	<b>Mini Theatre 1 - iPoster Presentations</b>  1) Improving Perioperative Care in Gynaecology Surgery: Introducing the Gynaecology Emergency Simulation (GEMs) Course <b>Daragh Lehane</b>  2) HANGOUT (HANDovers in the Gynaecology and Obstetrics Unit) – A Clinical Service Redesign Project <b>Joanna Ho</b>  3) Reflective Practice: Where did it all go so wrong and where do we go now? <b>Jenny Barber</b>  4) The impact of human factors training on workplace culture in maternity <b>Ayesha Mahmud</b>  5) Here come the Millennials: Is there more to retaining the 'next generation' of O&G doctors than just filling the rota gaps? <b>Jenny Barber</b>		<b>Mini Theatre 2 - iPoster Presentations</b>  1) The Nepal Antenatal Care Network (NANC-Net): A collaboration to build research capacity to improve the quality of Antenatal Care in Nepal <b>Abi Merriel</b>  2) Parents' and Health Workers' Experiences of Care and Support after Stillbirth in Kenya and Uganda <b>Tracey Mills</b>  3) Learning from Never Events - working towards targeted, evidence-based safety standards for the prevention of retained vaginal foreign objects in obstetrics and gynaecology <b>Rowan Gundry</b>  4) Placentas from mice of advanced maternal age demonstrate increased levels of oxidative stress and apoptosis <b>Lydia Newman</b>  5) The role of procalcitonin in the diagnosis of histologically confirmed chorioamnionitis: a systematic review <b>Sam Dockree</b>				
08.30 – 09.20	<b>PLENARY LECTURE 4:</b> Chair: Professor Phil Bennett, Imperial College London Neonatal seeding after caesarean delivery: hope or hype Tine Dalsgaard Clausen, Nordsjællands Hospital, Hillerød						
09.20 – 09.30	Movement between rooms						
	STREAM 1	STREAM 11	STREAM 12	STREAM 13	STREAM 14	STREAM 15	STREAM 24

	<b>MATERNAL AND FETAL MEDICINE</b>	<b>GYNAECOLOGICAL ENDOSCOPY</b>	<b>GYNAECOLOGICAL IMAGING</b>	<b>ABORTION CARE – LISTENING TO WOMEN</b>	<b>VULVAL DISEASE</b>	<b>DOCTORS IN TRAINING RCOG TRAINEE COMMITTEE</b>	<b>MATERNAL IMMUNISATION</b>
	Capital Suite 10/11/12 (live streamed into mini theatre 1) 	Auditorium 	Capital Suite 7/8/9 (live streamed into mini theatre 2) 	Capital Suite 6/13 	Capital Suite 14/5/16 	Capital Suite 2/3/4 	Capital Suite 17 
<b>Chairs:</b>	Mr Andrew Breeze, UK Professor Jan Deprest, Belgium	Mr Sanjay Vyas, UK Professor Shahin R. Chowdhury, Bangladesh	Professor Jonathan Chamberlain, UK Professor Caterina Exacostos, Italy	Mr Jonathan Lord, UK Dr Laura Maclsaac, USA	Miss Eman Toeima, UK Gabriel Kalakoutis, Greece	Dr Adalina Sacco, UK Dr Sarah Murray, UK	Professor Asma Khalil, UK Professor Fiona Denison, UK
<b>09.30 – 09:50</b>	Next Generation Sequencing: the extending the scope of prenatal diagnosis <b>Professor Lyn Chitty, Great Ormond Street Hospital for Children NHS Foundation Trust</b>	UK trends in laparoscopic hysterectomy using national data <b>Krupa Madhvani, Poole Hospital NHS Foundation Trust</b>	The role of MRI in Endometriosis <b>Dr Sue Freeman, Addenbrookes Cambridge</b>	Advances in early medical abortion care around the world <b>Professor Sharon Cameron, NHS Lothian and University of Edinburgh</b>	A symptomatic approach to vulval skin diseases <b>Dr Jennifer Yell, Northwest of England</b>	O&G Trainees in 2019: who are they, why are they leaving and what does the future hold? <b>Dr Adalina Sacco, Chair, RCOG Trainees' Committee</b>	How can we accelerate maternal vaccination as an essential part of antenatal care? <b>Jeffrey M. Smith, Bill &amp; Melinda Gates Foundation</b>
<b>09:50 – 10.10</b>	Prenatal assessment of exomes and genomes <b>Professor Mark Kilby, Birmingham Women's &amp; Children's NHS Foundation Trust/University of Birmingham</b>	Laparoscopy in pregnancy <b>Elizabeth Ball, Royal London Hospital, Bartshealth, NHS Trust</b>	Sonographoc diagnosis and classification of pelvic deep endometriosis: anterior, lateral and posterior compartment <b>Dr Caterina Exacostos, University Of Rome "tor Vergata", Italy</b>	Update in Cervical Preparation Prior to Abortion <b>Laura Maclsaac, Mount Sinai Health System</b>	Addressing future research needs: The Lichen Sclerosus Priority Setting Partnership <b>Rosalind Simpson, University of Nottingham</b>	Collaboration for success: The UKARCOG <b>Bassel Wattar, University of Warwick</b>	Vaccines recommended during pregnancy: Current guidelines and the future <b>Professor Asma Khalil, St. George's University Hospital</b>
<b>10.10 – 10.30</b>	Ethical dilemmas in prenatal genetics <b>Kelly Cohen, Leeds Teaching Hospitals NHS Trust</b>	Controversies on fibroid morcellation: BSGE guidance for patients and clinicians <b>Mr Fevzi Shakir, Royal Free Hospital, Hampstead</b>	3D USS in gynaecology - How can it improve our practice? <b>Dr Sotirios Saravelos, Imperial College Healthcare NHS Trust</b>	Decriminalisation of abortion – the legal perspective <b>Professor Emily Jackson, London School of Economics and Political Science</b>	Clinicopathological correlation in the vulval clinic: making sense of vulval biopsies <b>Dr Victoria Swale, Royal Free London NHS Foundation Trust</b>	Medico-legal issues in obstetrics and gynaecology and medical errors for trainees <b>Dr Peter Thompson, Birmingham Women's and Children's Hospital</b>	Group B streptococcus burden in pregnant women and infants <b>Professor Philip Steer, Imperial College London</b>
<b>10.30 – 11.00</b>	<b>Coffee, Exhibition and On-Demand iPoster Viewing</b>						
<b>11.00 – 11.20</b>	Born to survive: a critical review of out-of-hospital maternal cardiac arrests and pre-hospital perimortem caesarean section (PMCS)/resuscitative hysterotomy (RH) <b>Nina Cooper</b>	HEALTH: a randomised comparison of laparoscopic supracervical hysterectomy with endometrial ablation for women with heavy menstrual bleeding <b>Kevin Cooper</b>	Imaging in gynaecological disease: clinical and ultrasound features of immature teratomas of the ovary <b>Srdjan Saso</b>	A comparison of the safety and efficacy of two medical abortion protocols <b>Dharmika Perera</b>	HPV vaccine in the treatment of usual type vulval and vaginal intraepithelial neoplasia: a systematic review <b>Stacey Bryan</b>	A primary omental ectopic pregnancy: extremely rare, easy to miss <b>Sameera Madugalle</b>	Interventions to prevent preterm birth: The role of GBS <b>Professor. Andy Shennan, King's College London</b>

	Modification of pritchard regimen of magnesium sulphate for the conditions of a developing country <b>Anjoo Agarwal</b>	Change in practice on its way <b>Gaity Ahmad</b>	2D and 3D pelvic floor ultrasound for vaginal mesh complications <b>Annika Taithongchai</b>	Initiating intramuscular depot medroxyprogesterone acetate 24–48 hours after mifepristone administration does not affect success of early medical abortion <b>Christina Lang</b>	Causes of death among 3769 vulvar cancer patients: a SEER database analysis <b>Ahmed Nazzal</b>	Uterine transplantation in the context of a multi-organ retrieval in the UK <b>Benjamin Jones</b>	
11.20 – 11.40	Serum ferritin level in non-anaemic pregnant women on daily versus weekly iron supplement: a randomised control trial <b>Sekinah Bola-Oyebamiji</b>	Non-resective treatments for fibroids: a systematic review of uterine and fibroid volume reductions <b>Shabnam Melody Taheri</b>	A prospective comparative study for the evaluation of bowel stenosis degree in women with rectosigmoid endometriosis <b>Fabio Barra</b>	A safe and effective cervical-preparation protocol for late term terminations <b>Yvonne Neubauer</b>	Treatment of vulvar paget’s disease with topical imiquimod: a case series of 10 patients and a review of medical literature <b>Yong Kuei Lim</b>	Variation in the outcome reported by studies of fertility-sparing interventions for atypical endometrial hyperplasia and early endometrial cancer: a systematic review (the first step in the development of a CRUK-funded Core Outcome Sets) <b>Alex Tan</b>	Safety of vaccines during pregnancy: The CDC Perspective <b>Dr Lakshmi Panagiotakopoulos, Centers For Disease Control And Prevention</b>
	Ursodeoxycholic acid improves fetoplacental and offspring metabolic outcomes in intrahepatic cholestasis of pregnancy and in a mouse model of hypercholanaemic pregnancy <b>Luiza Borges Manna</b>	Role of chromohysteroscopy in postmenopausal bleeding <b>Nikita Banerjee</b>	Diagnostic accuracy of saline contrast sonohysterography to detect endometrial polyps in women with postmenopausal bleeding: a systematic review and meta-analysis <b>Albertine Vroom</b>	Building awareness of pregnancy crisis options in a stigmatized environment: development and evaluation of a marketing campaign by Marie Stopes Ghana <b>Chelsey Porter</b>	Double Z-plasty with VY advancement of the perineum under local anaesthetic <b>Lisa Verity</b>	The implications of traumatic work-related perinatal experiences for obstetricians and gynaecologists: findings from the INDIGO study <b>Pauline Slade</b>	
11.40 – 12.00	Fetal gene therapy <b>Professor Anna David, University College London</b>		Using Imaging to assess pelvic mesh and its complications <b>Dr Balashanmugam Rajashanker, Manchester Foundation Trust</b>		When does the gynaecologist need to intervene on the vulva? <b>Tony Hollingworth, Whipps Cross University Hospital</b>	Ultrasound on the labour ward – tricks and tips <b>Mr Christoph Lees, Imperial College London</b>	Panel discussion: Obstetricians’ role in MI vaccine development and implementation <b>All speakers</b> <b>Moderator: Professor Paul Heath, St. George’s University Hospital</b>
12.00 – 13.20	Lunch, Exhibition, iPoster Viewing & Mini Theatre iPoster Presentations						

12.20 – 13.05	Mini Theatre 1 - iPoster Presentations	Mini Theatre 2 - iPoster Presentations
	1) Biopsy rate for borderline and low grade smears referred to colposcopy in North Glasgow <b>Simone Vella</b>  2) Vaginal Microbiome Molecular Assay For Diagnosis Of Vaginitis, Vaginosis, And Risk Of Acquisition And Persistence Of Hpv <b>Jeff Andrews</b>  3) The Myth behind Antipsychotic use during Pregnancy."A review of literature" <b>Aiman Aref</b>  4) A danger signal UDP-glucose promotes invasion of human extravillous trophoblast through nucleotide receptor P2Y14 <b>Satomi Katakura</b>  5) Zspi deficiency impairs DNA damage response and causes chromosomal aberrations during mitosis <b>Mitsutoshi Yamada</b>  6) Treating fibroids with embolisation or myomectomy to measure the effect on quality of life: the FEMME randomised trial <b>Mary Ann Lumsden</b>	1) Asherman's Syndrome: Treatment Outcomes At Southampton University Hospital <b>Mustabshera Fayyaz</b>  2) 'Step by step' methodical approach of laparoscopic management of large right interstitial ectopic pregnancy (video demonstration) <b>Kenn Lim</b>  3) LapMapUK: Mapping laparoscopic training opportunities across the UK <b>Toshi Sherpa</b>  4) Combined cystoscopic and laparoscopic approach in excision of deep infiltrating endometriosis of the bladder <b>Ritu Mishra</b>  5) Lunchtime Hysteroscopy : An evaluation of the success rate of hysteroscopy carried out in the outpatient setting <b>Latika Narang</b>  6) Is Outpatient Endometrial Ablation Under Conscious Sedation An Acceptable Alternative To Day Case Surgery? <b>Emily Gan</b>  7) The association between intimate partner violence against women and newborn telomere length <b>Wing Cheong Leung</b>

**SPONSORED SYMPOSIUMS**

<b>12.00 – 13.00</b> Practical guidance on the use of AMH for fertility assessment and counselling <b>Roche Diagnostics</b> 12.15-13.00 Capital Suite Room 14/15/16	"I'm more than just a bleeding problem". Iron deficiency and iron deficiency anaemia in Women's Health <b>Vifor Pharma</b> Capital Room 17	Dilapan-S®; A new approach to labour induction <b>AG Health/MEDICEM</b> Capital Suite 6/13	Induction of Labour; improving quality of care and outcomes. <b>Cook Medical</b> Capital Suite Room 2/3/4
---	---	--	---

<b>13.20 – 14.30</b> <p align="center"> <b>PLENARY LECTURE 5:</b>            Chair: Mr Patrick O'Brien, RCOG &amp; UCLH  <b>Ethics and Unintended Consequences of NIPT – Interview/Panel session</b>            Panellists:            Sally Phillips, Actress, Comedian and Writer            Tom Shakespeare, Professor of Disability Research, International Centre for Evidence in Disability, London School of Hygiene and Tropical Medicine            Jane Fisher, Director, ARC – Antenatal Results and Choices            Professor Basky Thilaganathan, Director, Fetal Medicine Unit, St George's Hospitals NHS Foundation Trust         </p>
---

14.30 – 14.40	Movement between rooms					
	STREAM 1	STREAM 11	STREAM 16	STREAM 17	STREAM 18	STREAM 15
	<b>MATERNAL AND FETAL MEDICINE</b>  Capital Suite 14/15/16 (live streamed into mini theatre 2)  	<b>GYNAECOLOGICAL ENDOSCOPY</b>  Capital Suite 7/8/9 (live streamed into mini theatre 1)  	<b>PAEDIATRIC AND ADOLESCENT GYNAECOLOGY</b>  Capital Suite 10/11/12 (live streamed into Capital Suite 17)  	<b>MANAGING THE AMBER AND THE RED - HOW CAN WE SUPPORT PNMH? PERINATAL MENTAL HEALTH</b>  Capital Suite 2/3/4	<b>MENOPAUSE</b>  Auditorium  	<b>DOCTORS IN TRAINING RCOG TRAINEE COMMITTEE</b>  Capital Suite 6/13  
<b>Chairs:</b>	<b>Mr Andrew Breeze, UK</b> <b>Dr Lisa Hollier, USA</b>	<b>Mr Ertan Saridogan, UK</b> <b>Dr Maryam Al-Shukri, Oman</b>	<b>Dr Pallavi Latthe, UK</b> <b>Professor Duru Shah, India</b>	<b>Miss Leila Frodsham, UK</b> <b>Dr Raja Gangopadhyay, UK</b>	<b>Mr Mike Savvas, UK</b> <b>Dr Linda Stirk, Canada</b>	<b>Sadiya Hussain, UK</b> <b>Reena Aggarwal, UK</b>

14.40 – 15.00	Fetal Surgery in the UK <b>Professor Jan Deprest, University Hospitals Leuven</b>	Laparoscopic mesh removal: indications and outcomes <b>Mr Arvind Vashisht, UCLH</b>	Labial reduction surgery controversies <b>Dr Naomi Crouch, St Michael's Hospital, University Hospitals Bristol</b>	Patient perspectives <b>Elaine Hanzak, UK</b>	The cardiovascular timing hypothesis with HRT <b>Dr John Stevenson, Royal Brompton Hospital, London</b>	Work Life and health <b>Prof Tom Bourne, Imperial College London</b>
15.00 – 15.20	Women's experiences of care after diagnosis of fetal anomaly <b>Jane Fisher, ARC – Antenatal Results and Choices</b>	New Guidelines on fluid management for operative hysteroscopy <b>Mr Sameer Umranikar, University Hospital Southampton</b>	Female Genital Mutilation (FGM) in Children <b>Professor Sarah Creighton, University College Hospital London</b>	Setting up a Perinatal Mental Health Service <b>Dr Lesley Roberts, Royal Surrey County Hospital and Dr Jennifer Cooke, Sussex Partnership NHS Foundation Trust</b>	Progesterone preparations in HRT. Does it make a difference? <b>Mr Nick Panay, Imperial College and Chelsea and Westminster Hospital</b>	The past, present and future of trainees in global health (debate) <b>Rosemary Townsend, George's Hospital and Dr Mary McCauley, Liverpool School Of Tropical Medicine and Holger Unger, Centre for Maternal and Newborn Health, Liverpool School of Tropical Medicine and Kate Lightly, University Of Liverpool</b>
15.20 – 15.40	Fetal Tumours and (BR)EXIT <b>Dr Thomas Everett Leeds Teaching Hospitals Trust</b>	Submucosal fibroids: is hysteroscopic approach always the best? <b>Mr Ertan Saridogan, University College London Hospitals</b>	Laparoscopy in adolescents <b>Mr Alfred Cutner, University College Hospital, London</b>	Prescribing for PNMH problems <b>Dr Trudi Seneviratne, South London and Maudsley NHS Foundation Trust</b>	The role of androgens in managing menopausal women <b>Mr Michael Savvas, King's College Hospital</b>	Today's trainee, tomorrow's investigator? <b>Professor Shakila Thangaratnam Queen Mary University of London</b>
15.40 – 16.00	Obstetric risk conditions influencing the severity of maternal infections in the global maternal sepsis (GLOSS) study <b>Mihaela Budianu</b>	Evaluation of efficacy and safety of outpatient hysteroscopic morcellation of large uterine fibroid and endometrial polyps. Is high complexity hysteroscopy myomectomy achievable as an outpatient procedure? <b>Sumitra Pappala</b>	The effectiveness and acceptability of single and double dose desogestrel in the management of adolescent menstrual dysfunction: a clinical audit <b>Rachel Burton</b>	Mode of birth and development of maternal postnatal PTSD: a mixed methods systematic review <b>Jemima Carter</b>	Vasomotor menopausal symptoms and cardiovascular risk factors; a systematic review and meta-analysis of the current evidence <b>Ruth Begbie</b>	Parasitic fibroids following laparoscopic subtotal hysterectomy and morcellation <b>Isabel McLuskie</b>
	Developing a core outcome set for future pre-eclampsia research: an international consensus development study involving 283 healthcare professionals, 41 researchers, and 112 patients from 55 countries <b>James M N Duffy</b>	Cost-effectiveness of a strategy starting with the levonorgestrel intrauterine system (LNG-IUS) versus a strategy starting with endometrial ablation in the treatment of heavy menstrual bleeding <b>Marian J. van den Brink</b>	The management of ovarian cysts and masses in childhood and adolescence – has clinical practice improved? <b>Emily Gelson</b>	"Dads in Distress"- persisting depressive and traumatic symptoms in fathers following poor fetal, neonatal and maternal outcomes <b>Alka Kothari</b>	Incidence of sleep disorders in perimenopausal and post-menopausal women <b>Rukmini Kulkarni</b>	Healthcare Professionals' Knowledge, Attitude and Feelings Towards Female Genital Mutilation: A Systematic Review <b>Gabrielle Harrison</b>

16.00-16.20	Planned delivery or expectant management for late preterm pre-eclampsia: a randomised controlled trial (PHOENIX) <b>Lucy Chappell</b>	Immersive virtual reality in management of acute pain at outpatient hysteroscopy – VISTA <b>Nandita Deo</b>	Labia too 'neat' or FGM? A review of a second opinion service for digital recordings of genital examination of children with suspected FGM <b>Hazel Isabella Learner</b>	Knowledge and attitude of obstetric and midwifery staff towards perinatal mental health, current practices and their opinion regarding perinatal psychiatry services at University Hospital Kerry (UHK) <b>Sabahat Zafar</b>	Pause for menopause: a survey of the female medical workforce in the United Kingdom <b>Geeta Kumar</b>	Macroplastique® and Bulkamid® - Experience of Bladder Neck Injections over 8 Years <b>Ciara Daly</b>
		Cost-effectiveness of total laparoscopic hysterectomy and non-descent vaginal hysterectomy versus total abdominal hysterectomy: a multi-centre randomized controlled trial <b>Prasanth Wijesinghe</b>	Vulval pain in paediatric and adolescent patients <b>Angela Dunford</b>	STRAWB2 (stress and wellbeing after childbirth): a randomised controlled trial of targeted self-help materials to prevent PTSD following childbirth <b>Pauline Slade</b>	Hormone replacement therapy (HRT) after hysterectomy? <b>Jyoti Sidhu</b>	Menstrual Exacerbation of Psychosis: Systematic Review and Meta-Analysis <b>Thomas Reilly</b>
16.20 – 16.50	Coffee, Exhibition and On-Demand iPoster Viewing					
16.50 – 17.30	<b>PLENARY LECTURE 6:</b> Chair: Professor Janice Rymer, Vice President of Education, RCOG <b>Challenges to improving maternal and reproductive health in the Pacific</b> Associate Professor Kirsten Black, University of Sydney					
17.30 – 18.00	<b>Showcasing research through the NIHR: PHOENIX TRIAL</b> Chair: Tim Overton Professor Lucy Chappell Capital Suite 7/8/9			<b>Showcasing research through the NIHR : FEMME TRIAL</b> Chair: Philip Tooze-Hobson Professor Mary-Ann Lumsden Capital Suite 10/11/12		
17.30 – 18.30	<b>Fringe Event – Capital Suite 17</b> <b>Why do we need a health strategy for women and girls?</b> <b>Panel:</b> Professor Lesley Regan, RCOG President Kate Brian, RCOG Women's Voices lead Manu Reid, Chair, Women's Equality Party + 2 others TBC					
20.00 - 00.00	<b>Congress Party – Dixie Queen (Thames Cruise) (pre-purchased ticketed event)</b> <b>Venue: Pick up and drop off from Tower Millennium Pier. Lower Thames St, London EC3N 4DT (nearest tube station: Tower Hill/Tower Gateway)</b> Embark on the classic Dixie Queen boat and spend the evening enjoying the sights of London as it cruises down the Thames. The evening will include a welcome drink, BBQ buffet including wine and soft drinks and entertainment throughout the evening.					
19.30 – 00.00	<b>Congress Party – Medieval Banquet (pre-purchased ticketed event)</b> <b>Venue: Ivory House, St Katharine's and Wapping, London E1W 1BP (nearest tube station: Tower Hill/Tower Gateway)</b> A themed evening of medieval entertainment as knights battle and re-enact medieval history. The evening will include welcome drink, 3-course banquet style dinner including beer, wine and soft drinks, live entertainment and DJ.					

This programme was correct at the time of going to print. The RCOG and Hampton Medical do not take any responsibility with having to make changes after going to print.

*The RCOG World Congress 2019 will be enhanced by the voices of people who use O&G services, across many of the scientific sessions. We hope that these voices, both in person and pre-recorded, will add an extra element to the event, bringing focus to the human experience of women's health experiences relating to the topics being presented and the importance of woman-centred care across the specialty.*
