MRCOG Final Preparation:
Part 3 Practical Course

Monday 8 – Friday 12 October 2018
Venue: RCOG, London

Overview
This Part 3 Practical Course will give delegates a unique opportunity to practise and rehearse the clinical tasks set down in the new MRCOG Part 3 examination. There will be a 15 station circuit where you will receive individual feedback on each station from the examiners, some of which will also use professional role players and lay examiners.

The other half of the day there will be workshop-based sessions incorporating communication skills, examples of pass and fail performances and assessment template exercises. Exposure to these activities will help delegates reflect on individual strengths and identify areas for improvement and further practise.

Places on this course are strictly limited to 30 per day and will be allocated on a first come first served basis. Booking for this course will open on Monday 13 August 2018 at 10.30 (UK time)

Learning objectives
• Describe the structure and format of the MRCOG Part 3 examination
• Reproduce the components parts of the blueprint matrix of the MRCOG Part 3
• Describe the basic structure of the examiner marking system
• Relate the five clinical skills domains to clinical situations from the 14 modules of the trainee curriculum at an ST5 level of competence
• Identify personal strengths and weaknesses in the clinical skills/domains exposed during the course and to reflect on how to improve them for future clinical practice and prior to the examination

Who should attend?
• Candidates who have passed the MRCOG Part 2 Exam

MRCOG Part 3 Course Convenor: Mr Toby Fay FRCOG, Sussex
MRCOG Part 3 Deputy Course Convenor: Mr Sanjeev Sharma FRCOG, Liverpool
Honorary Director of Conferences: Mr Philip Toots-Hobson FRCOG, Birmingham
