MRCOG Final Preparation: Part 1 Blended Revision Course

Three days of face to face learning at the RCOG combined with recorded online pre-course lectures

Friday 7 – Sunday 9 June 2019
Venue: RCOG, London

Overview
This newly formatted course combines face to face learning at the RCOG, with a series of recorded lectures that will be available online prior to the course to view at your convenience. The course is designed for candidates planning to sit the Part 1 MRCOG examination and includes general advice about preparing for and taking the exam as well as comprehensive coverage of the Part 1 MRCOG syllabus and practice SBA sessions. You will also have the opportunity to do three mock exam papers during the course.

Learning objectives
During the course you will:
- Become familiar with the Part 1 MRCOG syllabus and exam structure
- Revise the key areas of the Part 1 MRCOG syllabus
- Practice a large number of typical exam questions
- Become confident with the various types and formats of the exam questions

Why attend?
- Listen to experienced lecturers with talks specifically tailored to address the exam syllabus
- Gain extensive exposure to typical exam questions
- Insight to focus and direct your revision for the exam
- View the recorded pre-course lectures at your convenience
