Access TOG Online through your CPD ePortfolio

To access a TOG Article and complete TOG Questions, please follow these steps:

- Log into your CPD ePortfolio account and click on 'View all TOG questions' located on your dashboard:

The screenshot shows the CPD ePortfolio dashboard. On the left, there is a list of events with 'Add as Learning Event' buttons. On the right, there is a 'TOG questions' section with a list of articles and a 'View all TOG questions' button. A red arrow points to the 'View all TOG questions' button. At the bottom right, there is an 'ADD TO CPD' button with a plus sign.

- On the next page, please click on your selected TOG article.

The screenshot shows the TOG questions page. At the top, there is a green banner with the text 'Have you checked our Case studies for CPD?'. Below this, there is a 'TOG questions' section with a list of articles. A red arrow points to the first article: 'TOG Vol 25 Issue 4: Extracorporeal membrane oxygenation (ECMO) in pregnant and postpartum women'.

- On the next page, please click on 'Read the TOG Article':

The screenshot shows the CPD ePortfolio interface. At the top, there is a navigation bar with the Royal College of Obstetricians & Gynaecologists logo, 'CPD', user icons, and a 'Dashboard' button. Below this is a green banner with the text 'Have you checked our Case studies for CPD? >'. The main content area displays a quiz titled 'TOG Vol 25 Issue 4: Extracorporeal membrane oxygenation (ECMO) in pregnant and postpartum women'. It indicates that the user has no previous attempts and that the grading method is 'Highest grade'. A red arrow points to the 'Read the TOG Article' link. Below this, the first question is: 'With regard to ECMO support, 1. it is an advanced life support technique that is utilised for respiratory and cardiac failure.' The options are 'True' and 'False', with 'True' selected.

- A new window will open up taking you directly to the related TOG article:
